1. Purpose of policy and guiding principles

- 1.1 Careers education, information and guidance (CEIAG) programmes make a significant contribution to preparing young people for the opportunities, responsibilities and experiences of adult life.
 - 1.2 The CEIAG programme is designed to be progressive from Year 7 to Year 11 and support students in making informed choices in years 8 and 11.
 - 1.3 At Cathedral Academy, Wakefield we aim to raise aspirations, challenge stereotypes and encourage students to consider a wide range of careers. Through careers education and guidance it is hoped that students will be encouraged to make the most of their talents and to go on to jobs or courses which suit their needs and intelligence.
 - 1.4 In particular we intend our students to:
 - Develop a broad understanding of the world of work and an ability to respond to changing opportunities.
 - Develop independent research skills so that they can make good use of information and guidance.
 - Develop the skills they need to review achievements, plan future actions, make decisions, present themselves well and cope with change and transition.
- We recognise that the process of making career decisions is a lengthy one and that most of our students will make their final choices only after completing their higher education course.

Students are encouraged to follow career paths that suit their interests, skills and strengths with the absence of stereotypes. All students are provided with the same opportunities and diversity is celebrated. Students with Special Educational Needs are offered additional careers advice. The destinations of our leavers are closely monitored and younger students informed so that we are aware of trends and opportunities.

5. Relationship to other parts of the curriculum and other policies

Careers education is conducted in accordance with the school's equal opportunities policy and other relevant policies. The whole school remit of careers is recognised and the curriculum is developed alongside that of other areas so that careers education is an integral part of the whole school curriculum.

Parental involvement is encouraged at all stages.

7. Management

The Associate Senior Leader with responsibility for Careers Leadership oversees the implementation of the careers programme and also oversees CEIAG and careers appointments for the careers advisor.

One careers advisor is available on site two days per week providing independent and impartial careers advice. Careers interviews are scheduled for all Year 11 students, with additional interviews arranged on a case by case basis. The Academy has links with various local businesses, HE institutions and the Local Enterprise Network, all of whom offer valuable first hand advice and resource to our students.

9. Monitoring, evaluation and review

The careers programme is monitored regularly and amended. Cathedral Academy will measure the effectiveness of the CEIAG provision by considering both attainment data and destination data for our students at all transition stages.
